Re: Annual Operations and Progress Report
Patti Ann Mine --- ACT/037/003

Dear Mr. Wilson:

We have received your MR Form 3, the annual Operations and Progress Report, which was a well answered report. However, we noted that under (2) Status of Reclamation Work, the year listed for work performed was "1977". I have initialed and changed the year to "1976" assuming this was a simple error in typing.

If you have a disagreement to this change, or if you prefer to submit the form again, let us know. Otherwise, we consider this corrected in our files, and for your records are sending you a copy of same.

Sincerely,

DIVISION OF OIL, GAS, AND MINING

RON DANIELS, COORDINATOR
OF MINED LAND DEVELOPMENT
